The Minnesota State Horticultural Society invites everyone (members and non-members) to participate in this longstanding Minnesota State Fair tradition on August 23 and 24, 2018. All gardeners, garden clubs, and specialty plant societies are eligible to compete for ribbons and cash prizes, as described below. Schools and commercial growers are welcome to display an educational exhibit. If you wish to reserve table space for large displays, contact a chairperson.

**State Fair Plant Show Rules – Minnesota State Horticultural Society**

**The Plants**

1. Houseplants must have been owned and grown by the exhibitor for 6 months. Annuals must have been under the horticulture care of the exhibitor by June 1. Combination plantings should be grown together for 6 weeks or longer.
2. All entered plants must be in pots and growing. No cut material allowed. Covered tables and counters provided.
3. Plants must be labeled with correct Division, Class and Variety on the plant tag. If you need help identifying your plant, try [www.google.com](http://www.google.com) and search by the common name.  
For example: **Division = A. Indoor Flowering Class = A1. Orchids, Variety = provide this information if you know it**
4. A pot or container may contain more than one plant of the same variety, but cannot contain multiple varieties, except where noted. Please ask for help at check-in if uncertain.
5. All plants grown in climate-controlled structures must be identified at check-in with a special mark by the chairperson.
6. No artificial plant material is allowed anywhere in the show (ribbon roses, paper flowers, plastic garlands, and the like). This means anything that is intended to look like a plant must be real plant material.
7. If you are bringing a large collection of plants please let us know in advance.
8. We encourage you to groom your plants before you leave home. Plants with bugs will be disqualified.

**Registration and Plant Pick Up – NOTE TIME CHANGES**

9. Registration and set-up hours for Group Exhibitors 10:00 a.m. to 2:00 p.m. Individual competition plants can be dropped off from 12:00 p.m. until 5:30 p.m., Wednesday, August 22, 2018 at the Agriculture/Horticulture Building. There is no preregistration at this time. Enter the State Fairgrounds at Underwood Street off of Como Avenue, Gate 7. [http://www.mnstatefair.org/general\\_info/get\\_here/maps.html](http://www.mnstatefair.org/general_info/get_here/maps.html). Entrance is on the south side of the building on Judson Avenue. Be sure to pick up a parking pass for Friday pickup when you register your plant.
10. All exhibits must remain in place until 9:00 p.m., Friday, August 24, 2018. It is the responsibility of the exhibitor to pick up their plant material at that time. You will receive a parking pass when you drop off your plants on Wednesday to get you on to the State Fair Grounds on Friday. Enter at Underwood Street off of Como Avenue, Gate 7. [http://www.mnstatefair.org/general\\_info/get\\_here/maps.html](http://www.mnstatefair.org/general_info/get_here/maps.html).

**The Judging**

11. Categories may be subdivided at the discretion of the judges and show chairperson(s).
12. Judges will not award ribbons if, in their opinion, no entries merit award.
13. Judging will take place on Wednesday, August 22 at 6 p.m. All plants must be on the table and ready for judging at 6 p.m.
14. Grand Champion, Reserve Champion, and Special Awards will be given at the discretion of the judges for those entries which merit recognition for cultural perfection or artistic creativity.
15. A group's sign identifying the club or organization should not exceed 9 inches by 24 inches.
16. The Minnesota State Horticultural Society will take all possible precautions to prevent damage or theft, but cannot be held responsible for losses of any kind or nature.
