## About MSHS

THE MINNESOTA STATE HORTICULTURAL SOCIETY (MSHS) is one of the longest-standing and largest member-supported horticultural societies in the United States, engaging cold-climate gardeners from the Upper Midwest to Alaska to Canada. Proudly serving growers of all ages, backgrounds and skill levels since 1866, we offer gardening classes and resources, community outreach programs and the award-winning *Northern Gardener*® magazine, the only publication exclusively for cold-climate gardeners.

Our members and readers grow both ornamentals and food and are passionate, informed gardeners who trust us and look to us to find quality gardening tools and products as well as garden centers, nurseries and landscaping services. According to a recent survey, *Northern Gardener*® readers actively scan the publication for ads. We offer valuable marketing opportunities to build your brand, drive sales and share your message with the Upper Midwest's strong network of gardening enthusiasts.

How it works: (1) visit [bloominbucks.com](https://bloominbucks.com), (2) select the Minnesota State Horticultural Society, (3) order bulbs, books, tools, gift certificates and more—25% of your total will be donated back to MSHS programs—and (4) look for your items in the mail. Thanks for helping us grow!
