

2025 MARKETING PROSPECTUS

Print and Digital Opportunities

About MSHS

THE MINNESOTA STATE HORTICULTURAL SOCIETY (MSHS) is one of the longest-standing and largest member-supported horticultural societies in the United States, engaging cold-climate gardeners from the Upper Midwest to Alaska to Canada. Proudly serving all ages, backgrounds and skill levels since 1866, we offer gardening classes and resources, community outreach programs and the award-winning *Northern Gardener*[®] magazine, the only publication exclusively for cold-climate gardeners.

Our members and readers grow both ornamentals and food and are passionate, informed gardeners who trust and look to us to find quality gardening tools and products as well as garden centers, nurseries and landscaping services. According to a recent survey, *Northern Gardener*[®] readers actively scan the publication for ads. We offer valuable marketing opportunities to build your brand, drive sales and share your message with the Upper Midwest's strong network of gardening enthusiasts.

CELEBRATING EARTH DAY AND ARBOR DAY IN APRIL!

Plant a tree on Earth Day, plant a tree on Arbor Day, help our planet thrive! [There are so many reasons to plant more trees.](#) Shade, energy savings, wildlife habit, edible fruit, fall color, privacy, carbon sequestration. And the list goes on. Whatever your reasons, you can be sure that Gertens offers options for all of them and expert advice to help you make your selections!

[LEARN MORE >>](#)

CELEBRATE ENTOMOLOGY 2024

You can't talk about native plants without celebrating the life they support. At "Celebrate Entomology 2024" on **April 12th**, Prof. Marla Spivak will give the 2024 Endowed Richards-Hodson Lecture in Insect Physiology and Ecology, sharing "A Century of Bee Discoveries at UMN". Visitors who can't attend in person will receive a Zoom link to Prof. Spivak's lecture after registering.

Community Outreach Sponsorship

Community education and outreach is a major strength at the Minnesota State Horticultural Society serving thousands of gardeners of all backgrounds and skill levels!

Minnesota Green program diverts 59,000+ plants from nursery compost piles and puts them in the hands of community gardeners helping to beautify neighborhood green spaces across the state.

Garden-in-a-Box (GIAB) gives our state’s youngest gardeners the opportunity to dig in and grow flowers and vegetables all summer long.

Webinars & Classes educate on everything from getting started to pollinators to soil health and beyond.

ANNUAL SPONSOR INVESTMENT:

\$1,499

MAX ART FILE SIZE: 400 KB

COMMUNITY OUTREACH SPONSOR RECOGNITION:

- on MSHS website (homepage)
- on Minnesota Green and GIAB marketing materials and webpages
- on introduction slide for all MSHS webinars
- at Minneapolis Home + Garden Show education stage
- at all MSHS events
- at our Minnesota State Fair booth
- in *Northern Gardener*[®] magazine
- in bimonthly *Northern Gardener*[™] e-news
