The Minnesota State Horticultural Society invites everyone (members and non-members) to participate in this longstanding Minnesota State Fair tradition on **August 27 and 28, 2026**. All gardeners, garden clubs, and specialty plant societies are eligible to compete for ribbons and cash prizes, as described below. In addition, schools and commercial growers are welcome to display an educational exhibit. If you wish to reserve table space for large displays, contact a chairperson listed above.

The Plants and Show Rules

1. Houseplants must have been owned and grown by the exhibitor for a minimum of six months. Annuals must have been under the horticulture care of the exhibitor by June 1. Combination plantings should be grown together for six weeks or longer.

2. All entered plants must be in pots and growing. No cut material allowed. Covered tables and counters will be provided. Pots should have a maximum diameter of 14 inches, except where noted. This rule is strictly adhered to.

3. Exhibitors must fill out entry tags with correct Division, Class, and variety.
   a. For example: **Division = A. Indoor Flowering** **Class = A4. Orchids** **Variety = A4-c Phalaenopsis.**

4. The scientific name of the plant *(*genus, species, variety/cultivar) must be included to qualify for highest points. A pot or container may contain more than one plant of the same variety but cannot have multiple varieties, except where noted. Please ask for help at check-in if uncertain.

5. All plants grown in climate-controlled structures must be identified at check-in with a special mark by the chairperson.

6. No artificial plant material is allowed anywhere in the show (ribbon roses, paper flowers, plastic garlands, and the like). This means anything that is intended to look like a plant must be real plant material. No live animals or taxidermy.

7. All collections of plants (Divisions M1 or M2) must be exhibited in separate pots and labeled correctly: genus, species, variety/cultivar.

8. Groom your plants before you leave home. Plants with pests and /or diseases will be disqualified.

9. The judges' decision on awards is final.

Plant Drop Off & Pick Up

-The show will use diligence to ensure the safety of articles entered for exhibition after arrival and placement; but under no circumstances will claim responsibility for any loss or damage.
-The exhibitor shall indemnify the fair and management, against all legal or other proceedings.
-The chairpersons reserve the right to remove any exhibit from the show at their discretion.

1. **Drop Off:** Wednesday, August 26, 2026, at the Agriculture/Horticulture Building. Registration and set-up hours: Group Exhibitors, 10 a.m. to 2 p.m. *Individual competition plants, 12 p.m. until 5:30 p.m.* **Pre-registration information:**
   Enter the State Fairgrounds at Underwood Street off Como Avenue, Gate 7. https://www.mnstatefair.org/general-info/maps/ the entrance is on the south side of the building on Judson Avenue.
2. **Be sure to pick up a parking pass for Friday pickup when you drop off your plant.**
3. All exhibits must remain in place until 9 p.m., Friday, August 28, 2026. It is the responsibility of the exhibitor to pick up their plant material at that time. You must have the parking pass you picked up on Wednesday. Plants will be disposed of after 10 pm Friday if not picked up. https://www.mnstatefair.org/general-info/maps/

a) *A. Brevifolia* (eg: Short leaved Aloe)
b) *A. Broomii* (eg: Snake Aloe)
c) *A. Maculata* (eg: Soap Aloe)
d) *A. Vera* (eg: Healing Plant, Medicine Plant)
e) Any other C2 not listed elsewhere on the schedule

C3 Apocynaceae:

a) *Adenium* (eg: Desert Rosé)
b) *Pachypodium* (eg: Madagascar Palm)
c) *Plumeria* (eg: Frangi pani)
d) Any other C3 not listed elsewhere on the schedule

C4 Asclepiadoideae

a) *Brachystelma* (eg: Little Crowns)
b) *Caralluma* (eg: Famine Food)
c) *Corepegia* (eg: String of Hearts, Rosary Vine)
d) *Fockea* (eg: Hottentot Bread, Water Roots)
e) *Hoodia* (eg: Bushman's Hat)
f) *Hoya* (eg: Porcelain Flower, Wax Plant)
g) *Huernia* (eg: Starfish Flower)
h) *Stapelia* (eg: Carrion Flower)
i) *Trichocaulon* (eg: Larryleachia cactiformis Cactus Plant)
j) Any other C4 not listed elsewhere on the schedule

C5 Geraniaceae: Caudex Form

a) Pelargonium
    a) *P. carnosum* (eg: Fleshy Stalk Pelargonium)
    b) *P. desertorum*
    c) *P. klinghardtense*
    d) *P. crassicaule*
    e) *P. cirthmifolium*

b) Sarcocaulon Bushman's Candles
    a) *S. peniculinum*
    b) *S. monsonia herrei*
    c) *S. herrei*

c) Any other C5 not listed elsewhere on the schedule

C6 Asteraceae: Daisy Flowered

a) *Othonna* (eg: Little Pickles, Napkin Tree)
b) *Senecio* (eg: String of Pearls, Propeller Plant, Swizzle Sticks)
c) Any other C6 not listed elsewhere on the schedule

C7 Euphorbia: Spurges

a) *E. trigona* (eg: African Milktree)
b) *E. mili* (eg: Crown of Thorns)
c) Any other C7 not listed elsewhere on the schedule

C8 Asphodelaceae: Gasteria & Relatives:

a) *Astroloba* (eg: Star Lobe)
b) *Gasteria* (eg: Ox, Cow or Lawyer Tongue)
c) *Haworthia* (eg: Zebra Plant, Horse's Teeth)
d) Any other C8 not listed elsewhere on the schedule

C9 Vitacae: Grape Caudex Forms:

a) *Cissus cactiformis* (eg: Cucumber Cactus)
b) *Cissus quadrangularis* (eg: Veldt Grape)
c) *Cyphostemma cirrhosum* (eg: Wild Grape)

d) *Cyphostemma juttae* (eg: Tree Grape)
e) Any other C9 not listed elsewhere on the schedule

C10 Jatropha & Relatives (leafy forms):
a) *Jatropha* (eg: Buddha Belly)
b) *Monadenium* (eg: Snake or Sausage Plant)
c) *Pedilanthus tithymaloides* (eg: Devil's Backbone)
d) *Synadenium-Euphorbia compacta* (eg: Dead Man's Tree)
e) *Synadenium-umbellata* (eg: African Milk Bush)

d) *Pterocactus*

e) *Tephrocactus* (eg: Pine Cone, Spruce Cone)
f) Any other D8 not listed elsewhere on the schedule

D9 Rare North American Genera:
a) *Ariocarpus* (eg: Living Rock, False Peyote)
b) *Astrophytum* (eg: Bishop's Cap, Star)
c) *Aztekium*
d) *Encephalocarpus* (eg: Pinecone)
e) *Epithelantha* (eg: Button, Pingpong Ball)
f) *Geohintonia*
g) *Neolloydia* (eg: Texas Cone, Chihuahuan Beehive)
h) *Obregonia* (eg: Artichoke)
i) *Pelecyphora* (eg: Pincushion, Foxtail, Spinster)
j) *Sclerocactus* (eg: Eagle-claw)
k) *Strombocactus* (eg: Fir-cone, Top)
l) *Turbinicarpus*
m) Any other D9 not listed elsewhere on the schedule

D10 South American Barrels (large flower):
a) *Acanthocalycium*
b) *Aylostera* (eg: Flame Crown)
c) *Chameocereus* (eg: Peanut)
d) *Echinopsis* (eg: Easter lily, Sea Urchin)
e) *Lobivia* (eg: Orange Cob)
f) *Pygmaeocereus* (eg: Nipple)
g) *Rebutia* (eg: Crown, Little Mouse)
h) *Soehrensia* (eg: Golden Torch, Golden Column)
i) *Sulcorebutia*
j) *Weingartia* (eg: Cuming Crown)
k) Any other D10 not listed elsewhere on the schedule

D11 South American Barrels (typical flower):
a) *Blossfeldia* (eg: Miniature Button, Truffle)
b) *Copiapoa*
c) *Denmoza* (eg: Red Spine)
d) *Eriosyce*
e) *Gymnocalycium* (eg: Chin)
f) *Horridocactus*
g) *Matucana*
h) *Neochilenia*
i) *Neoportenia*
j) *Notocactus* (eg: Balloon, Tom Thumb, Lemon Ball)
k) *Oroya*
l) *Parodia* (eg: Silver Ball)
m) *Pyrrhocactus*
n) *Wigginsia* (eg: Clump Barrel)
o) Any other D11 not listed elsewhere on the schedule
